

International Conference on Particles And Nuclei (PANIC08)

Contribution ID : 104

Meson Production from Diffractive Pion Dissociation at COMPASS

Monday 10 Nov 2008 at 15:35 (00h15')

Primary authors : NEUBERT, Sebastian (Technische Universitaet Muenchen) ; COMPASS
COLLABORATION ()

Co-authors :

Presenter : NEUBERT, Sebastian (TU Munich)

Session classification : Parallel I: Hadronic structure: light baryon and meson resonances

Track classification : --not yet classified--

Type : --not specified--
