

# International Conference on Particles And Nuclei (PANIC08)

Contribution ID : 106

## A New Measurement of the Proton Electromagnetic Form Factor Ratio at Low $Q^2$

Monday 10 Nov 2008 at 16:55 (00h15')

**Primary authors** : RON, Guy (Tel Aviv University) ; ZHAN, Xiaohui (MIT) ; GLISTER, Jackie (St. Mary's University) ; LEE, Byungwuek (Seoul National University) ; ARRINGTON, John (ANL) ; DAY, Donal (University of Virginia) ; SHALEV, Gilad (MIT) ; HIGINBOTHAM, Douglas (Thomas Jefferson National Accelerator Facility) ; GILMAN, Ronald (JLab and Rutgers) ; SARTY, Adam (St. Mary's University) ; SPARVERIS, Nikos (MIT)

**Co-authors** :

**Presenter** : RON, Guy (Tel Aviv University)

**Session classification** : Parallel II: Hadronic structure: form factors

**Track classification** : --not yet classified--

**Type** : --not specified--
