

International Conference on Particles And Nuclei (PANIC08)

Contribution ID : 112

Polarization Transfer from Photon to Λ^0

Thursday 13 Nov 2008 at 17:10 (00h15')

Primary authors : HENLEY, Ernest (Univ. of Washington) ; PHAM, Kevin (Univ. of Washington)

Co-authors :

Presenter : HENLEY, Ernest (University of Washington)

Session classification : Parallel V: Hadronic structure: light baryons and dibaryons

Track classification : --not yet classified--

Type : --not specified--
