

# International Conference on Particles And Nuclei (PANIC08)

Contribution ID : 113

## Strangeness $S=-2$ Baryon-Baryon Interaction in Chiral Effective Field Theory

Thursday 13 Nov 2008 at 17:55 (00h15')

**Primary authors :**

**Co-authors :**

**Presenter :** HAIDENBAUER, Johann (IKP, Juelich)

**Session classification :** Parallel V: Hadronic structure: light baryons and dibaryons

**Track classification :** --not yet classified--

**Type :** --not specified--
