

International Conference on Particles And Nuclei (PANIC08)

Contribution ID : 122

Decay Widths and the Asymmetry Parameters of the Non-Mesonic Weak Decay of Light Hypernuclei

Tuesday 11 Nov 2008 at 15:20 (00h15')

Primary authors :

Co-authors :

Presenter : OUTA, Haruhiko (RIKEN)

Session classification : Parallel III: Hadronic structure: Lambda hypernuclei

Track classification : --not yet classified--

Type : --not specified--
