

International Conference on Particles And Nuclei (PANIC08)

Contribution ID : 124

Asymmetric Weak Decay of Hypernuclei: Two-Pion-Exchange Mechanism

Tuesday 11 Nov 2008 at 15:50 (00h15')

Primary authors :

Co-authors :

Presenter : GARBARINO, Gianni (University of Torino)

Session classification : Parallel III: Hadronic structure: Lambda hypernuclei

Track classification : --not yet classified--

Type : --not specified--
