

# International Conference on Particles And Nuclei (PANIC08)

Contribution ID : 140

## Low Mass Vector Meson Measurements via Di-electrons at RHIC by the PHENIX Experiment

Monday 10 Nov 2008 at 15:20 (00h15')

**Primary authors :**

**Co-authors :**

**Presenter :** SHARMA, Deepali (Weizmann Insitute of Science)

**Session classification :** Parallel I: Hot and dense matter

**Track classification :** --not yet classified--

**Type :** --not specified--
