

International Conference on Particles And Nuclei (PANIC08)

Contribution ID : 225

Estimate of the Branching Fraction $\tau \rightarrow \eta \pi^- \nu_\tau$, the $a(980)$, and Non-standard Weak Interactions

Tuesday 11 Nov 2008 at 15:50 (00h15')

Primary authors :

Co-authors :

Presenter : SOFFER, Abner (Tel Aviv University)

Session classification : Parallel III: Heavy flavor, CP violation and rare decays

Track classification : --not yet classified--

Type : --not specified--
