

International Conference on Particles And Nuclei (PANIC08)

Contribution ID : 250

Two-Body Photodisintegration of ^3He , ^4He , and ^2He up to 1.5 GeV

Monday 10 Nov 2008 at 17:10 (00h15')

Primary authors :

Co-authors :

Presenter : BERMAN, Barry (George Washington University)

Session classification : Parallel II: QCD: chiral dynamics and few nucleon systems

Track classification : --not yet classified--

Type : --not specified--
