

International Conference on Particles And Nuclei (PANIC08)

Contribution ID : 252

Transverse Spin Effects in COMPASS

Tuesday 11 Nov 2008 at 14:30 (00h15')

Primary authors :

Co-authors :

Presenter : BRESSAN, Andrea (University of Trieste)

Session classification : Parallel III: QCD: baryon and meson spin

Track classification : --not yet classified--

Type : --not specified--
