

International Conference on Particles And Nuclei (PANIC08)

Contribution ID : 266

Measurement of the $\cos(\phi)$ and $\cos(2\phi)$ Azimuthal Moments of the Deep Inelastic Scattering Cross-section

Tuesday 11 Nov 2008 at 15:00 (00h15')

Primary authors :

Co-authors :

Presenter : LAMB, Rebecca (University of Illinois, Urbana)

Session classification : Parallel III: QCD: baryon and meson spin

Track classification : --not yet classified--

Type : --not specified--
