

International Conference on Particles And Nuclei (PANIC08)

Contribution ID : 325

Meson-Baryon Threshold Effects in the Light-Quark Baryon Spectrum

Monday 10 Nov 2008 at 14:50 (00h15')

Primary authors :

Co-authors :

Presenter : GONZALEZ, Pedro (University of Valencia)

Session classification : Parallel I: Hadronic structure: light baryon and meson resonances

Track classification : --not yet classified--

Type : --not specified--
