

International Conference on Particles And Nuclei (PANIC08)

Contribution ID : 371

The Minimal Model for Two Dark Matter Components with Supersymmetry

Monday 10 Nov 2008 at 15:35 (00h15')

Primary authors :

Co-authors :

Presenter : KIM, Jihn E. (Seoul National University)

Session classification : Parallel I: Nuclear and particle astrophysics and cosmology

Track classification : --not yet classified--

Type : --not specified--
