

# International Conference on Particles And Nuclei (PANIC08)

Contribution ID : 90

## Beyond the Standard Model: Dark Matter in the Early Universe and Today

Thursday 13 Nov 2008 at 16:35 (00h20')

**Primary authors** : FIELDS, Brian (Univeristy of Illinois)

**Co-authors** :

**Presenter** : FIELDS, Brian (University of Illinois)

**Session classification** : Parallel V: Nuclear and particle astrophysics and cosmology

**Track classification** : --not yet classified--

**Type** : --not specified--
